# Tim Michaels

## Chief Executive Officer

Tim is the Founder and CEO of HealthRate and has over 30 years of experience across healthcare with a focus on risk management, analytics, reimbursement strategies, and software development.

Prior to starting HealthRate, Tim successfully led the formation and operations of several public and private companies, worked as a strategic advisor to prominent healthcare organizations, and served on multiple governance boards. He has extensive experience in operations, product development, risk management, and information technology

“

HealthRate is like GoodRx for high-cost claims.

”

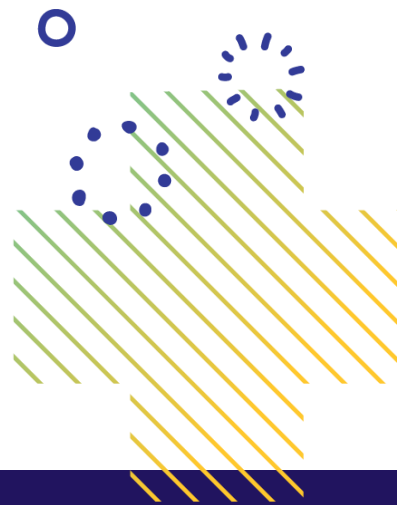

**Paul Stordahl**

*Chief Actuary Emeritus, UnitedHealthcare*

# What is HealthRate?

## PRICE ARBITRAGE

- HealthRate is an Award-Winning SaaS platform that provides payers the best pricing for high-cost claims
  - No impact to quality
  - No provider abrasion
  - No patient intervention is required
  - Audit friendly
- Implementation is as simple as adding click button analysis to your existing process

# Who Uses HealthRate & What Does it Cost?

## FINANCIALY AT RISK ENTITIES AND FIDUCIARIES

- Payers
- At Risk Providers
- Employers
- Stop Loss Providers
- Reinsurance
- 3<sup>RD</sup> Party Service Providers

*Pricing is available on a percentage of savings model or a monthly flat fee model*

# How Does HealthRate Do It?

## PAYMENT OPTIMIZATION & DECISION SUPPORT

Built on decades of domain experience, trillions of data points, advanced statistical methods, and recent advancements in AI/ML, HealthRate proactively identifies the optimal source and cost of care.

## Specialty Contracting Expertise + Legislative Changes

- Niche industry experts who have defined the industries payment methodologies, levers, and triggers for specialty reimbursement
- Transparency in Coverage and No Surprises Act have triggered increased competition

## Advanced Actuarial Expertise

- Decades of real-world data
- Proprietary Artificial Intelligence(AI) to ingest and process payment terms
- Advance statistical analysis and proprietary algorithms to identify and quantify opportunities

## De-Mystified

- Update your precertification and utilization processes with existing staff
- Login to [www.healthrate.io](https://www.healthrate.io) and begin saving!

# What Do I Get?

## DETAILED CASE ANALYSIS

A comprehensive analysis is produced for each case, clearly documenting the opportunity

## COST CONTAINMENT

Each case can produce reduced claims between \$50,000 and \$1,000,000+.

# How Do I Get Started?

## SEAMLESS INTEGRATION

HealthRate requires minimal training, supports a zero-technology integration option, contains no HIPAA data and was designed with your existing processes in mind

### Select your LOB's and Service Lines

- Commercial, Medicare, and Medicaid are all supported.
- Oncology, Organ Transplants, Stem Cell Transplants, and Novel Therapies (CGT) are all supported

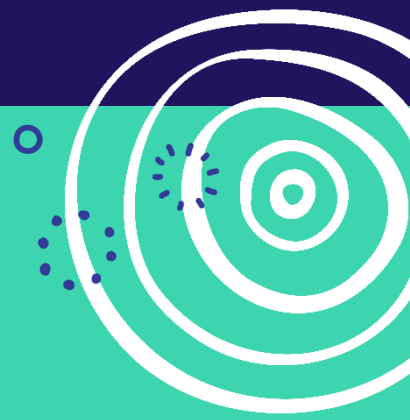

### Select your Subscription Level

- Self-service, full-service, and data only(API) models are supported
- Your data, our data, or hybrid models are supported

### Deploy

- Update your precertification and Utilization Review process to complete a 1–3 minute price check
- Login to [www.healthrate.io](http://www.healthrate.io) and begin saving!

# Thank You!
